

Product Data and Submittal

Product Description

CertainTeed SilentFX[®] Noiseproofing Putty is a moldable acoustical putty pad designed to enhance the performance of acoustically rated drywall with penetrations such as electrical outlets, HVAC ducts, water hookups and cables. SilentFX Putty is clean, easy to use and requires no tools. Optimized for use with SilentFX[®] QuickCut™ noise-reducing drywall and SilentFX[®] Noiseproofing Sealant.

SilentFX[®] Noiseproofing Putty

Advantages

- Adheres to common construction materials to prevent sound leakage
- Achieves STC ratings of 57/64 (single/double layer drywall)
- Minimal shrinkage — will not dry out
- Noncorrosive to metal and plastics
- Pre-cut into 3.5 mm (1/8") thick, 152 mm x 203 mm (6" x 8") squares

Product Data

Material: Moldable putty

Colour: White

Packaging: 8 sheets/box

Size: 152 mm x 203 mm (6" x 8")

Weight: 1.73 g/cm³ (1 oz/in³)

Limitations

- Not fire-rated
- Intended for noise mitigation in interior applications only

Working with the Product

Installation

SilentFX Noiseproofing Putty does not require any tools to install. Ensure the electrical boxes, switches or similar wall penetrations are clean and installed correctly. Take off all release paper from the pad. Starting at one side of the outlet box, apply the pliable pad and overlap the putty onto the stud. Shape the putty completely around the outlet, including any connected cables, so that the outlet box is sealed against the stud with no exposed surface areas.

Cleaning

Clean tools immediately after each use with warm, soapy water then wipe the tool surfaces dry to prevent rust. Leftover compound should be sealed and stored appropriately.

SDS

SDS Safety Data Sheets are available on our web site, www.CertainTeed.com.

First Aid

Inhalation: Move victim to fresh air. Administer oxygen if breathing is difficult. Give artificial respiration if victim is not breathing. If signs/symptoms continue, get medical attention.

Skin: In case of contact with substance, immediately flush skin with running water for at least 20 minutes. If skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

Eye: In case of contact with substance, immediately flush eyes with running water for at least 20 minutes. If eye irritation persists: Get medical advice/attention.

Ingestion: Rinse mouth. Never give anything by mouth to an unconscious person. Do NOT induce vomiting. Obtain medical attention immediately if ingested. Refer to Safety Data Sheet for further information.

For further information, refer to Safety Data Sheet or consult manufacturer by calling 1-800-327-7455.
