Introducing More Value

Landmark® Pro improves upon the CertainTeed Landmark shingle, a leading consumer publication’s “Best Buy” for the past five years.

We started by adding more weathering asphalt to the industry’s toughest fiberglass mat to provide more protection. Then we incorporated our Maximum Definition color blend technology to give the product more vibrancy on the roof. Included is the proven performance of our NailTrak™ feature, enabling faster installation.

Landmark Pro offers the industry’s strongest warranty. Protecting your reputation and safeguarding homeowners from manufacturing and aesthetic defects.
