Northwoods®
Vinyl Shake & Shingle Siding

Life happens here™
On Cover:
Trim: Vinyl Carpentry® & Restoration Millwork®.
The authentic look of milled cedar siding.

Northwoods faithfully recreates the natural textures of both cedar shakes and shingles. Whether the rugged and variable patterns of the shake or the more linear and crisp design of the perfection shingle, Northwoods requires none of the upkeep common to wood. Virtually maintenance free, Northwoods offers years of solid performance with no painting required, ever.

Northwoods... beauty without the work.
Choose exceptional value with performance.

3 styles. 20 colors. Northwoods shakes and shingles with their attractive cedar look are an ideal choice for your home, whether it’s a whole house application or used as an accent. Designed to stay beautiful with very little effort, Northwoods is very durable and offers exceptional value.
Installing vinyl siding is a smart investment, with one of the highest returns of any major home remodeling project when it’s time to sell.

75.6%

Return on investment for vinyl siding

Enjoy the benefits of low maintenance.

Northwoods is designed to stay beautiful for many years, with hardly any maintenance, so you can spend more time with friends and family and enjoy your passions. You can also relax knowing that Northwoods comes with a Lifetime Limited Warranty and CertainTeed is the number one rated brand of vinyl siding in the industry.
The beauty of natural cedar.

Rich Colors

The Northwoods palette of 20 colors offers unlimited design possibilities! From soft and subtle shades to the bright and bold – it’s easy to create exteriors that make a statement, or quietly express your personal sense of style.

Brighten your home with eye-catching accent shades, unify and simplify your exterior with a monochromatic color scheme, or choose contrasting colors for special areas.
TrueTexture™
Northwoods utilizes a direct transfer system from real cedar shakes and shingles for a natural TrueTexture woodgrain finish. There are two textures to choose from: Perfection and Rough-Split.

Better than wood
Northwoods shakes and shingles stay beautiful and consistent in color on all sides of the home without continual maintenance.

Real cedar shakes and shingles must be stained or bleached to prevent discoloration. These treatments will need to be repeated over time.
Perfection Shingles

Perfection has clean edges and smooth lines to complement the quiet beauty of the natural wood textures. In a straight edge design, Perfection Shingles create a more refined look – style once reserved for the finest homes.

Low Maintenance
High quality vinyl does not absorb moisture or rot.

Flame Spread Rating
Highly resistant to fire and does not spread flames (Class A).

Windload
Northwoods can withstand wind pressure up to 180 mph.*

Panel Thickness
.060” (perfection shingles) and .050” (rough-split shakes) makes Northwoods very durable.

Panel Projection
1” (shakes) and 3/4” (shingles) panel projection for excellent rigidity and straighter-on-the-wall performance. Also, enhanced shadow lines for better aesthetics.

*Products adhere to ASTM D3679 standards for capable wind speed ratings based on standard wind load design pressure ratings. For most current ratings, please reference www.certainteed.com
Rough-Split Shakes

Rough-Split is reminiscent of the days when cedar shakes were split by hand. Rough-Split Shakes dress a home in a rustic style that enhances a home’s natural charm with ever-varying patterns and deep shadow lines.
