A match made in heaven.

Restoration Millwork, CertainTeed Vinyl Siding and Sherwin-Williams® VinylSafe® Color Technology

How will you use it? When you choose Restoration Millwork™ Exterior Trim, the freedom is yours to choose colors that correspond, complement or create striking contrasts.

• Yesterday, you had to paint PVC trim or vinyl siding the same or a lighter color to prevent blistering and buckling caused by the sun's heat.
• Today, darker colors are a reality thanks to Sherwin-Williams® VinylSafe™ Color Technology.*
• Sherwin-Williams paint can also hide nail and putty marks so every little detail will turn out right.

Thinking beyond trim?
• CertainTeed offers the widest color selection in vinyl siding.
• Get trim and siding that can be easily color-coordinated from one trusted source.

Color is freedom.

*Sherwin-Williams VinylSafe™ Technology colors should be used when choosing darker colors that have a Light Reflecting Value (LRV) of 54 or lower for colors with an LRV of 55 or higher (the higher the LRV, the lighter the color), you can safely use an acrylic latex paint.

Color is freedom.

Choose a bolder accent to create striking contrasts.

Similar colors give you a blended look.

An accent color can work in complementary ways.

A match made in heaven.
