FLINTLASTIC® SA
SELF-ADHERED MODIFIED BITUMEN ROOF SYSTEM

Flintlastic SA delivers the reliable protection of traditional modified bitumen roofing for a fraction of the labor, plus:

- No kettle, fumes, or burn risk
- No torch or risk of fire
- Reduced training requirement
- No building occupant disturbance
- No mess or side lap bleed out
- Reduced insurance requirement

Meet the family
Select the Flintlastic SA base, ply (optional) and cap sheet combination that meets your building, performance and warranty needs:

Flintlastic SA NailBase
Nailable base sheet for plywood/OSB or lightweight insulating concrete

Flintlastic SA PlyBase
Self-adhered base sheet or interply

Flintlastic SA MidPly
Premium self-adhered base sheet or interply, for extended warranties

Flintlastic SA Cap
Workhorse cap sheet

Flintlastic SA Cap FR**
Fire and impact resistant cap sheet

**UL 2218 Class 4 Impact Resistance – Certain systems are UL classified as to impact resistance as described in the UL Roofing Materials and Systems Directory.
Aesthetic Selection
